How to pack your gear: Encampment requires a significant amount of equipment to be brought to the activity. The facilities that will be used are ideal for encampment and provide many exciting activities throughout the week. The living accommodations have individual foot lockers and a clothes hanging rod. Therefore, the following packing guidelines should be used.

1. On the first day, you will be moving your gear from your suitcase to your assigned footlocker in a manner specified by your flight staff.
2. Bring uniforms on hangers pressed and wrinkle free. Garment bags, if available, should be used. Don't pack your uniforms in your main suitcase/footlocker/etc. A trash bag over the hangers makes a for a good makeshift garment bag.
3. Write your "Last Name-CAP ID" with a sharpie on all clothing, personal items, and packing materials (i.e. suitcase/garment bag)
4. Only pack what is on this list. If there is something you think needs to be brought but is not listed above, contact your encampment commander and ask the question. Do NOT bring something without permission.
5. **CADRE - Please adjust quantities to allow for 4 extra days of attendance. Bring something other than your cell phone to wake yourself up.**

Be accountable for your own actions and DO NOT pack anything not authorized on this equipment list. Any items found that are not on the equipment list will be confiscated and placed in contraband. Bringing of unauthorized items or failure to disclose is grounds for dismissal from encampment. Be prepared to recite the Cadet Honor Code and Oath.
